COMMUNITY EDUCATIONAL PROGRAM: "NURTURING PARENTING PROGRAM"

The Power of Parenting

Welcome to this unique opportunity to implement your influence as a parent to your children.

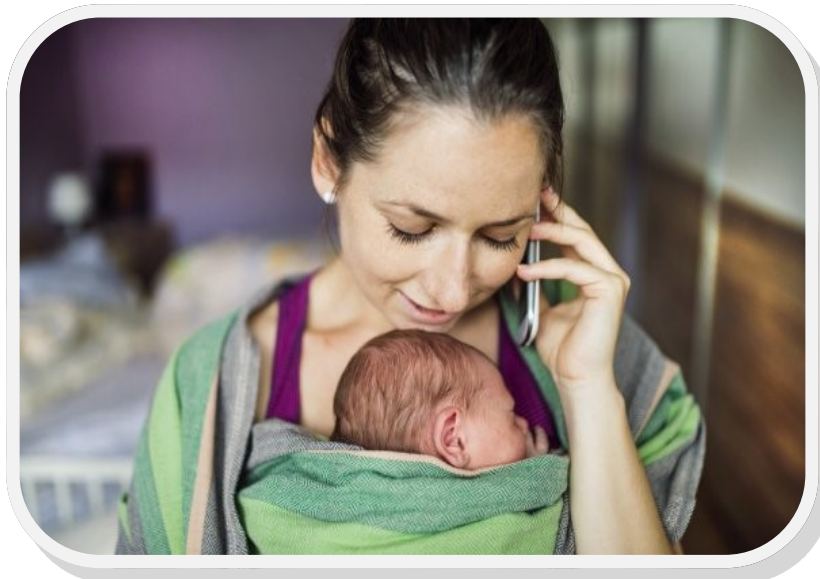

Our Parent Support Program proudly presents our
Virtual Services!!

This program provides you with strategies and solutions to empower parents, individuals with new knowledge, beliefs, strategies, and skills in parenting.

There are 10 topics (one per week). Our services take into account your Schedule and personal needs.

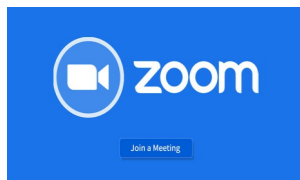

We provide additional guidance in the areas of: Hygiene, Physical and Mental Health as well as Nutrition. We also offer referrals to resources one might need that is out of our scope or in high risk situations.

Call to register: Carina Landa (209) 444-5927

There are a variety of ways of taking the Nurturing Parenting classes:

- * Phone call**
- * WhatsApp (video call) free application.**
- * Zoom (video call). Email required.**

We will guide you through whatever your preference is!
